

Kindergarten Words to Introduce and Assess

This is a minimum list to provide a suggested order of introduction per marking period, but teachers should use their professional judgment and introduce words based on student need.

*NOTE: Assess all words each marking period. The discontinue rule applies when a student misses 5 consecutive words.

1 st	2 nd	3 rd	4 th
I	to	come	went
a	can	little	where
my	this	they	when
the	for	with	stay
go	you	down	away
me	see	he	good
